Dear Sir:

Some months ago you were in here and showed us a collection of Russian coins that I think belonged in Odessa. In this lot were a few Oriental pieces which I made a price on, and you said you would write to the owner to see if he would sell these separately.

Have you heard as yet from the owner, and can you advise me anything about them?

Very truly,

Curator.

Dear Sir,

In reply to yours of
the 14th. inst. about the coins,
altho' I have them by me still,
the owner asked some
time ago to return
the whole lot by mail,
insuring it very heavily.
He is evidently unwilling

to believe the valuation
placed on them & hopes
to realise more out there
in Japan or Vladivostok
I shall, therefore, have
to try & get them sent
back.

Yours very truly,
John Dunlop
